RUSSIAN RAIDERS.

They Succeeded in Penetrating
as Far as Gen San and Al-
so South of Anju.

CAPTURED PROVISION TRAINS.

The Japanese Are Landing Another
Army of 50,000 Men at Taku-
shan, It Is Reported.

Japs Were Busy During the Night Re-
moving the Wounded From the
Battlefield at Vafangow and
Burying the Dead.

Vladivostok, June 3.—Letters from the theater of war report that Russian raiders have succeeded in penetrating as far as Gen-San and also south of Anju. They have destroyed depots of Japanese supplies and captured provision trains. Koreans are fleeing into Manchuria to escape the hardships of war. Chinese are moving from Kwan Tung into Northern Manchuria in order to avoid living in territory under Japanese control.

Vanzalen, Manchuria, June 3.—The Japanese are landing another army of 50,000 men at Takushan, it is reported. Japanese posts were withdrawn Wednesday from positions near Vafangow, destroying the bridges as they retired. They were busy during the night removing the wounded from the battlefield and burying the dead.

London, June 3.—The Daily Mail's New Chwang correspondent cabling under date of June 2 says:

"Gen. Stalkenberg with 14,000 Russians, made up of artillery, cavalry and infantry, has marched south of Liao Yang in the direction of Wafang-jen.

"Large forces of Chinese bandits are collecting in the hills northeast of the Liao river and are preparing to cut the railroad north of Mukden."

The correspondent of the Daily Express at Nagasaki cables that transports loaded with troops continue to leave Western Japanese ports daily for the theater of war. A large proportion of those dispatched during the past week, he says, were to reinforce Gen. Oku.

London, June 3.—Telegrams from different points seem to confirm the rumors that Gen. Kuropatkin is attempting a diversion in the direction of Port Arthur. Russian reinforcements, according to a dispatch from Tien-Tsin, are moving southward from Kaiping towards Wafangtien under Gen. Stalkenberg. They comprise a battery of artillery, four Siberian regiments and a company of Cossacks aggregating 12,000 men. Another brigade is following, the intention being to engage the Japanese now attacking Port Arthur, in their rear.

The Daily Telegraph's well informed Tokio correspondent estimates the total defending force in Port Arthur as 30,000.

"This is a most formidable army," he says, "and it will be a marvelous achievement to carry by assault such a place with more than a score of great landward forts disposed at a distance of 15 miles from the harbor. Still the reduction of the place can be undoubtedly accomplished."

According to the Chronicle's Tokio correspondent the Russians have completed 11 fortresses at Liao Yang and are laying mines at a distance of 5,000 feet around them.

JAPANESE TROOPS.

Another Lot Have Been Landed at
Tsing Tulse.

The Foo, June 3.—The Japanese have landed another lot of troops at Tsing Tulse (Cheng Thaits Su), about 20 miles southeast of Taku Shan. A Chinese junk arrived from there saying that 70 warships and transports have discharged troops there. One thousand soldiers had been garrisoned ashore. Reinforcements for the Japanese army which is attacking Port Arthur have been landed northeast of Taliawan. Their number is unknown.

Monterey, Mex., June 3.—W. F. Clarke, a well-known mining superintendent, slipped on a trail leading from Minas Neuvas to La Fama Wednesday and fell a distance of fully 2,000 feet, being instantly killed.

Silver and Gold Nuggets Stolen.

St. Louis, June 3.—Complaint was made Thursday to the World's fair police department that silver and gold nuggets valued at \$1,000 had been stolen from the French section in the mines and metallurgy building.

Appealed to the Tribes.

London, June 3.—A dispatch to the Times from Tangier says that Mohamed El Torres has appealed to the tribes to capture Raisul, the bandit, saying that this alone can save Morocco from invasion.

BOATNER NOT GUILTY.

The Verdict in a Case Involving An Alleged Conspiracy.

Owensboro, Ky., June 3.—J. W. Boatner was acquitted in Hartford, Ohio county, Thursday afternoon on the charge of receiving stolen or embezzled funds. Boatner is now a free man, as there are no other charges against him in the state courts. The trial is the outcome of Boatner shipping through the American Express Co. in August, 1902, a package said to contain \$28,000. A. B. Schlitzbaum, the agent in Fordsville, said he was held up and robbed of the package. Boatner and he were indicted and tried on the charge of conspiracy to defraud. The commonwealth failed to convict them. Schlitzbaum was then tried on the charge of embezzling money from the Illinois Central railroad. He was found guilty and sent to the penitentiary. Boatner's trial just ending was on the charge receiving the money the agent embezzled. The next chapter in the case will be Boatner's suit in the United States court here in November for the recovery of the \$28,000. Boatner holds the express company's receipt for the money.

NEW STATE BOOK LAW.

The Schools Suffer in Consequence,
Says Lexington's Superintendent.

Lexington, Ky., June 3.—School Superintendent M. A. Cassidy, of this city, in his annual report to the board of education, states that the operation of the state uniform school book law, passed by the last general assembly, was disastrous to the cause of education. He said that owing to the maximum price for the textbooks, which had been fixed by law, only two companies had submitted books and estimates in accordance with the law, and that the samples of both were considerably inferior to those now in use.

SHOOTING ENCOUNTER.

Clark and John Mills Killed By Pal Carnes and James Gray.

Barbourville, Ky., June 3.—In a shooting encounter on the Stinking creek road, four miles above Flat Rock, Clark and John Mills were killed by Pal Carnes and James Gray. Carnes and Gray have been placed in jail here. The two dead men, aged 19 and 23 years, were buried in the same grave. In July, 1890, the fathers of the dead men were killed in a fight on Stinking creek and buried in the same grave.

Louisville Tobacco Market.

Louisville, Ky., June 3.—The market was a shade stronger on burley and the manufacturing types of dark tobacco Thursday. The stock of unsold burley in this market amounts to only 633 hds. The sales were 307 hds, of which 108 hds were burley and 199 hds dark. Prices ranged as follows: Burley, \$6.50@\$20.50; dark, \$2.85@\$9.00.

The Body Recovered.

Dayton, Ky., June 3.—The body of John Hancock, fireman of the towboat Adelle, who, with Capt. Frank Moor and Casper Adrian, cook, lost their lives when the ill-fated vessel was cut down by the ice at Coal Haven, above this city, January 24, was recovered Thursday at the foot of Clay street.

Horseman Kicked to Death.

Madisonville, Ky., June 3.—While driving with his wife in this city Baxter Ashby, a widely known horseman, suffered an accident. The horse became frightened and began kicking. Mrs. Ashby jumped from the vehicle, but Mr. Ashby remained until the horse kicked him to death.

Had No Right to Refuse.

Frankfort, Ky., June 3.—The court of appeals Thursday decided that the city council of Winchester did not have the right arbitrarily to refuse to grant liquor licenses to proper persons in a precinct in the city that had voted "wet" in a local option election.

New Insurance Company.

Louisville, Ky., June 3.—The Commonwealth Life Insurance Co., with a capital of \$200,000, will begin business here at an early date. Joshua D. Powers, president of the United States Trust Co., will be president of the corporation.

Contracts Go To Union Labor.

Lexington, Ky., June 3.—City council with one dissenting vote passed an ordinance binding itself that all supplies for various departments and contracts of every description shall be given exclusively to union labor.

Kentucky Corporations.

Frankfort, Ky., June 3.—The following companies filed incorporation articles with the secretary of state Thursday: Blackford bank of Webster county, \$15,000; Burt & Free Co., of Wayne county, \$20,000.

Portsmouth, N. H., June 3.—The old training ship Essex was turned over to the Ohio naval reserves by the United States

SERIOUS ACCIDENT

Two Cars, Going at a Rapid Rate, Collided on the Lake Shore Electric Road.

SIX PERSONS LOST THEIR LIVES.

About a Dozen Were More or Less Injured, Some of Whom May Not Survive.

All Those Killed Were in the Smoking Compartment of the Passenger Car, and Death Came Instantly.

Norwalk, O., June 3.—In an accident on the Lake Shore electric railroad six persons were killed and a dozen or more badly hurt late Thursday afternoon as the result of a collision between an east-bound fast electric passenger car and a west-bound "package freight" car at Wells Corners, a few miles east of this city.

The dead: Charles Peck, Lorain, O.; W. W. Sherwood, Garretson, O.; Neil Sullivan, an inspector of safety appliances for the Inter-state commerce commission, Binghamton, N. Y.; Clarence Ketcham, Lorain, O.; Ralph Williams (colored), Indianapolis, Ind.; unidentified man, in his pockets was a keyring with the name George Judd Taylor, Alliance, O.

The injured: Steve Watergo, body crushed, terribly cut about head; Frank Libling, Cleveland, head cut; Amelia Furnace, Cleveland, head badly cut, teeth knocked out; Gertrude Miller, Cleveland, cheek cut, leg injured; Mrs. Louise C. Miller, Cleveland, head cut; Chiel Electrician Moore, of the Lake Shore electric, head cut; Mrs. George E. Jansen, Cleveland, head cut; M. McDonald, Cleveland, internal injuries, left side badly crushed; D. C. King, Fremont, head and back bruised; K. Z. Hawkins, conductor passenger car, left shoulder injured; Mills Beebe, motorman passenger car, back injured; Wm. Fletcher, East Norwalk, right arm injured; C. H. Otto, Elyria, O., head cut; Mrs. W. B. Ensign, Toledo, leg broken; Mrs. R. C. Seyers, Toledo, head crushed; Myrtle Nagle, Cleveland, head and arm hurt; Geo. Sturgeon, motorman on package car, badly crushed.

The accident occurred at a point quite distant from any immediate means of communication and assistance was sent from Norwalk, where every physician and nurse in the city was called into service and hurried to the place of the accident on a special car. When the injured had been attended to they were placed on a car and brought to this city.

All those who were killed were in the smoking compartment of the passenger car and death came instantly, the bodies showing no sign of life when the rescuers went to work after they had recovered from the first shock of the accident.

The injuries of several of those hurt are so serious that they may result fatally.

Just why the accident occurred is not known. Superintendent Strelar, of the Fremont division of the road, arrived shortly after the accident and will make a thorough investigation.

The cars were the largest type of suburban electric cars and they were smashed to pieces, the freight car being broken in two. Both were running at high speed when the collision occurred.

It was necessary to jack up the freight car which lay across the bodies of the men in the smoking compartment of the passenger car. Many of the women passengers had fainted, others were on their knees offering thanks for their safety; others still were running away with their hands to their ears to shut out the cries of the injured.

Williams, one of the killed, was said to also have lived at 321 Missouri street, Toledo. His mother is in Munice, Ind. Watergo, one of the injured, is a Hungarian and lives in Toledo. Clarence Ketcham, who was killed, was a resident of New London, O. He was working at Lorain.

Hawesville, Ky., June 3.—William Monicle, a farmer living about three miles from this place, was probably fatally cut by Will Hosler, formerly a hack driver of Owensboro, near the home of the victim.

Compromised For \$5,500.

Paducah, Ky., June 3.—The Illinois Central paid to the administrator of Will Watson, a boy killed by a pile of stakes being knocked on him by a moving freight car, \$5,500 as a compromise.

To Curtail Production.

Boston, June 3.—Orders were issued Thursday by several cotton mill managers instructing agents to curtail production on account of the depression in the textile industry. Many mills in Southern and Central New England have been running on short time.

Honolulu, June 3.—The United States hospital ship Solace, leaving here for Guam Island, made wireless telegraph tests and kept in communication with the apparatus of the cruiser New York for 70 miles.

PULMONARY CONSUMPTION.

A Tent Colony of Patients About to Be Established in Illinois.

Chicago, June 3.—With the object of demonstrating that pulmonary consumption, if not too far advanced, can be cured in the climate of Illinois, a tent colony is about to be established at Ottawa, Ill., under the care of the Illinois medical society.

Plans are well advanced for the enterprise. The site containing 25 or 30 acres on a bluff overlooking Illinois river has been donated to the use of the colony and arrangements are now in progress for the purchase of the tents and other equipment. At first the capacity of the colony will be about 30 patients, though the limit will be increased from time to time. Men and women patients will be received. The colony will be open summer and winter alike. Each tent will contain one or two sufferers. The tents will be water proof, but the freest circulation of air will be allowed so that the patients will live an outdoor life day and night.

ON SOCIALISTIC LINES.

An Industrial Training and Educational School to Be Established.

St. Clair, Mich., June 3.—Negotiations are under way for the purchase of a 400 acre tract of land on the St. Clair river just south of here for the establishing of an industrial training and educational institute, which will represent an investment of \$500,000. In a measure it will be a philanthropic enterprise, conducted along socialistic lines. Parker H. Sercombe, of Chicago, is the originator of the plan and among the men mentioned as his associates are Clarence Darrow and Prof. Oscar Triggs, of Chicago, and Hanford Henderson, of Chicago. It is proposed to make the Institute eventually self-sustaining through the marketing of the products of the students, whose time will be equally divided between common school work and work of a practical and productive nature.

FIGHT IN A RESTAURANT.

One Man Dead and Two Others Mortally Wounded in Knoxville.

Knoxville, Tenn., June 3.—A bloody fight occurred at midnight in a restaurant of Central street. As a result one man is dead and two others are mortally wounded. Constables G. C. Gamble and T. W. McCarty were eating when Lum and Wash Miller, Negroes, came into the place and ordered something to eat. McCarty ordered the Negroes to wait until they had finished. Lum Miller was shot through the head by Gamble and killed, but not until after he had shot Gamble through the abdomen and twice in the right leg. Wash Miller was shot through the right arm and in the chest by Negro named Cook, who was trying to hit Constable McCarty. The two wounded men can live but a few hours at most.

ILL HEALTH THE CAUSE.

Manager of the Armour Packing Co., South Omaha, Kills Himself.

Omaha, Neb., June 3.—C. L. Saylor, office manager for the Armour Packing Co., at South Omaha, committed suicide at Hanscom Thursday by shooting himself through the head. The act was committed an hour before the time set for Mr. Saylor's departure for an Ohio sanitarium, where he was going for treatment of his nervous system.

During the afternoon Saylor had made all preparations for his eastern trip and started for a stroll in the park before starting to the train. Half an hour later his son walked through the park and discovered his father lying near a path in a pool of blood.

THE VATICAN EXHIBIT.

A Portion Was Installed in the Anthropology Building, World's Fair.

St. Louis, June 3.—The first section of the vatican exhibit was installed in the anthropology building Thursday. Among the interesting things contained in it are a death mask of Pope Leo XIII, and an impression of his right hand taken immediately after death. There are some famous mosaics and miniature paintings and replica of the Codex Vaticanus, the oldest copy of the Bible in existence. Signor Francesco Cogliati, a member of the Ecclesiastical academy of arts, has charge of the exhibit.

To Curtail Production.

Boston, June 3.—Orders were issued Thursday by several cotton mill managers instructing agents to curtail production on account of the depression in the textile industry. Many mills in Southern and Central New England have been running on short time.

Pittsburg, June 3.—A resumption of all the departments of the Pressed Steel Car Co. is assured by an order which was booked Thursday. The company was the successful bidder on the big Harriman lines car contract.

THE INDIAN LANDS

President Signed a Proclamation Providing For the Opening of Devils Lake Reservation.

IS TO BE DISPOSED OF BY DRAWING.

It Consists of 63,000 Acres of Which About 550 Homestead Entries Can Be Made.

The Proclamation Reserves 1,555 Acres For the Fort Totten School and For Churches and a Public Park at Sully's Hill.

Washington, June 3.—The president Thursday signed a proclamation providing for the opening of the ceded lands of the Devil's Lake Indian reservation in North Dakota. The land is to be disposed of by a registration and drawing similar to that provided for the opening of the ceded lands of the Rosebud reservation in South Dakota by recent proclamation. The Devil's Lake Indian reservation contains about 88,000 acres of land, of which approximately 550 homestead entries may be made. The registration will be made at Devil's Lake and Grand Forks, N. D., and will begin August 8 and run until August 20. The drawing will be held at Devil's Lake land office and will begin at 8 o'clock September 6 and will proceed for 60 days. Any land subsequently remaining unentered will be subject to homestead entry on payment of \$4.50 per acre.

Only qualified homesteaders will be allowed to participate in the drawing and all persons must register for themselves, except honorable discharged soldiers and sailors, who will be entitled to make homestead entry through agents.

The proclamation reserves 1,553 acres for the Fort Totten school and also makes reservations for the Protestant Episcopal church, the Raven Hill Presbyterian church, the Wood Lake Presbyterian church, the mission of the sisters of charity, the St. Michael's church and St. Joseph's church. Ninety-two acres are reserved for the Devil's Lake Indian agency and \$83 acres for a public park at Sully's Hill.

Chicago, June 3.—The inquiries received at railroad offices regarding the opening of the Rosebud Indian reservation, South Dakota, in July, number nearly a thousand a day and indicate that about 50,000 people will go to the reservation in the hope of getting a quarter of a section each.

It is reported that Governor Beckham is grooming Judge Paynter for the U. S. Senate. Now why should the Governor be so greatly interested in the Judge's future?

KENTUCKY Democrats are called on to meet in mass convention in the various counties to-morrow afternoon at 2 o'clock to select delegates to the State convention. Instructions should be given for Parker for President and Kehoe for State Chairman. The people should speak in no uncertain tone.

"This home market is the great thing with the Republicans when they talk tariff," says the Indianapolis News, "but when the subject of expansion is broached foreign markets are the only thing that will save the country from ruin." The Enquirer thinks Republican speakers are liable to get their "wires crossed" during the coming campaign.

REPUBLICAN ROW.

Collector Roberts Stirs Up a Rumpus Among the Faithful at Lexington.

Collector Roberts has stirred up a big row in Republican ranks at Lexington by the announcement of his intention to appoint Harry P. McElroy, Chief Deputy, in place of C. H. Berryman, who resigned. McElroy has been cashier under Roberts.

A bitter fight is being made against McElroy. The most prominent Republicans are up in arms against what they term "Collector Robert's political rough riding," and many protests are being made. It is said that Theodore Shaw of Lexington will fill the place of cashier temporarily, but that Roberts will appoint Miss Daisy Trout of Canton, Ohio, to the position. Miss Trout is a sister to Mrs. Roberts. This has induced such a bitter opposition to Collector Roberts that it is said a fight will be made upon him when he seeks reappointment at the expiration of his term.

The leaders of the opposition assert that by reason of the death of President McKinley and Senator Mark Hanna the most influential friends of Collector Roberts have been removed, and that his fighting chances for retaining the office are exceedingly slim.

EXPLODED DYNAMITE

Against the Church and Frightened Mrs. Anna Harrod and Her Converts.

OWINGSVILLE, Ky., June 1.—Mrs. Anna Harrod, a "sanctification preacher" from Ripley, Ohio, has been holding services in Craigs, in this county. It is said that her converts, when in a religious frenzy, go into a trance. This and certain remarks she had been quoted as making caused much feeling against her and a party of unknown persons placed some dynamite near the church house during services and exploded it with a fuse. The shock shook the building badly, frightening Mrs. Harrod and her congregation, who ran. Mrs. Harrod has left the town.

Mrs. Harrod held meetings at Orangeburg and other points in recent years, and is well known in the Eastern part of the county.

The last issue of the Paris Democrat contains a cut and sketch of Beasley Church, which is one of the oldest Christian churches in the State. Its construction was begun in 1829 and the building completed in 1831, and although it has been used for a house of worship for 73 years, the first marriage ceremony performed in it was that of Hardin Lucas, of Paris, and Miss Annie Osborne, of Tuckahoe, on Nov. 1st, 1900.

Detective Jack Bingham of the O. and O. made a big haul of juveniles at Foster Wednesday for stoning the conductor of through freight No. 72 at that place.

Their names are Francis Frazier, Joe Fisher, Dayton, Ky.; Frank Power, Cincinnati; Bob Smith, Newport; Cliff Patty, Newport; John Moore, Covington. Bingham captured the gang while they were around a camp fire not over half an hour after the stoning occurred, being on a freight just behind No. 72. It is thought by Bingham his late captures are the fellows who stoned the excursion train recently at Covington, when George Metcalfe, of Brooksville, was shot and injured through a car window.

MISS GORDON'S SCHOOL.

Second Annual Commencement Last Evening Attracted Large Crowd.

Class of Seven Awarded Diplomas—Winners of Scholarships—Dr Carter Helm Jones' Address.

The second annual commencement of Miss Gordon's Training School was held last evening at the opera house, and the large attendance was a gratifying proof of the interest taken by Maysville and Mason County people in this new institution of learning. The success of the school and the brilliant close of its second year must be highly gratifying to Miss Gordon and her many friends, as well as a source of pride to all friends of education.

The opera house was simply but tastefully decorated. The orations and essays of the graduates showed deep thought and careful preparation, and these, with the recitation by Miss Taulbee, were given in a manner highly creditable to their faithful teacher, as well as to themselves. The diplomas were delivered by Hon. W. H. Wadsworth, President of the board, who also announced the award of scholarships. The pupils of the regular class attaining the highest average in their studies were: Mr. Ball, 97, Miss Bryant, 96, and Mr. Wadsworth 94. Mr. Browning graduated last year from the High School, and took a post-graduate course this year in Miss Gordon's school. He gets a scholarship in State College, his average being 96. The school is entitled to five scholarships—two in the State College, one in Central University, one in Kentucky Wesleyan College and one in Georgetown College. Only four were awarded.

Following the delivery of the diplomas and award of scholarships came the address of the evening by Dr. Carter Helm Jones of Louisville. Out of twenty-two invitations to deliver addresses at commencements this year, Miss Gordon's was one of the five accepted by this distinguished minister of Louisville. 'Tis seldom Maysville people are given so rare a treat as they received in the address by Dr. Jones. The close attention given him by the audience evinced their delighted appreciation. His subject was "Culture," and under four divisions,—its meaning, might, menace and mission," he treated it in a most masterly manner. He admonished the class to seek always the true culture which he defined as the highest development of which the mental, physical and spiritual nature is capable.

The selection charmingly sung by Miss Wadsworth lent additional enjoyment to the occasion while the excellent music by the Maysville Orchestra gave pleasing variety to the program. The enrollment of Miss Gordon's school the past year was thirty-six and the session closed with thirty-one in attendance. Following was the

HOW TO PRONOUNCE HYOMEI.

J. J. Woad & Son Tell of This Remarkable Treatment That Cures Catarrh Without Stomach Dosing.

"While all our customers who have used Hyomei agree that it is remarkably successful in curing catarrh and other diseases of the air passages," says J. J. Wood & Son, "yet there has been considerable diversity of opinion as to how the name is pronounced."

"Hyomei is pronounced as if it were spelled 'high-one,' with the accent on the first syllable."

"A great many come to our store and instead of asking for Hyomei, tell us they want a package of the treatment for catarrh that we are selling on a guarantee."

"While we know what they mean, and all of our clerks will give them Hyomei, yet we want them to know how to pronounce the name of Hyomei, so that they may run no chance of getting anything but Hyomei, no matter where they go."

"It is nature's true cure for catarrhal troubles. It kills the germ of this disease, soothes and heals the irritated mucous membrane, and effectually drives all catarrhal poisons from the system."

"All the stomach dosing in the world can do no lasting good in the treatment of catarrh unless the nose and throat are free from catarrhal microbes. There is no stomach dosing with Hyomei; just breathe it."

"We have so much confidence in the value of the treatment, that we are selling it with the understanding that we will return the money if it fails to cure. All BULLETIN readers know that we do exactly as we agree."

You Never Know the Moment When This Information May Prove of Infinite Value.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itchiness of the skin, for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gabby of 925 East Second street says: "For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment and I bought a box at J. Jas. Wood & Son's drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure."

JOSEPH H. BLACK.

Former Maysville Merchant Died Wednesday at Cincinnati—Burial at Dover.

Mr. Joseph H. Black, a former citizen of Maysville, died Wednesday morning at Cincinnati. His health had been failing some time.

Mr. Black was born near Germantown, Nov. 6, 1826. He was united in marriage to Miss Mary Elizabeth Tabb at the Tabbs homestead near Dover. Six children were born to this union, three of whom with their mother, survive. The children are Mrs. A. F. Curran of Dover and Messrs. Elgin Black of Cynthiana and Campbell B. Black of Covington. After his marriage, Mr. Black spent some years in Dover, afterwards he engaged in business in Maysville, but for a number of years he had resided in Cincinnati. His death was due to paralysis and softening of the brain.

His remains were brought to Dover Wednesday evening for interment.

J. W. O'DONNELL, 218 Market.

The plain gold pin with initials engraved found by Attorney J. M. Collins was returned to the owner, Dr. Taulbee, through an advertisement in the BULLETIN.

The remains of Mr. Clarence Stevens were brought here on the 1:30 train Thursday, and the funeral takes place this afternoon at 2 o'clock at the home of his mother on Walnut street, Rev. R. E. Moss officiating. Interment in the Maysville Cemetery. Mr. Stevens was engaged in painting the Good Samaritan Hospital when he fell from a scaffold and fractured his skull.

On Tuesday June 7, at the opera house, a benefit performance will be given for the Washington Fire Company. A program of moving pictures, illustrated songs and polite vaudeville will be given. This is a worthy cause and a good house should be in evidence as a pleasing performance can be depended upon. The prices 10, 25 and 35 cents are within reach of all. Seats on sale at Ray's Monday.

Another large snake was captured in the store room on Second Street, where the show was given last week, Thursday morning at 11 o'clock. A negro first discovered the reptile as it was in the act of crawling up into the show window. Mr. Frank Barkley captured it, and it was turned over to Mr. Pearl Blythe, the barber. It afterwards made its escape from the box, but was recaptured.

SUCCESS IN SIGHT.

Establishment of Big Tobacco Plant Practically Assured.

Continental Company to Operate Establishment and Guarantee Handsome Dividend on Investment.

The promoters of the Maysville Warehouse Company have reached the point where they feel the success of the project is practically assured.

Up to 9 o'clock this morning \$33,000 of the sum required had been subscribed, the parties taking the stock being leading citizens of the city and county. Some of the heaviest stockholders reside in the county but are largely interested in Maysville.

It is estimated that it will require about \$42,000 to buy the necessary land and erect the building. Mr. I. M. Lane's figures on the plant are within \$400 of the estimate made by a Louisville architect. The plant will be patterned after the big Kentucky wagon works at Louisville, the building being one story in height. It is to be constructed of brick and will be of the most substantial character; over 300 feet long and about 250 feet wide.

While the site has not been definitely settled, the location under consideration, and where the plant will most likely be erected, is the lot on the south side of Third street, and extending east along the C. and O. to a line with Houston avenue, and south the full length to a line with Elizabeth street. The latter street is to be extended west to Union street, and Houston avenue is to be extended through to Forest avenue. "Cooper's pond" now occupies part of the lot in question, but if this site is selected, the pond is to be drained, and the lot filled up to a level with the C. and O. The city, will in all probability, construct a large sewer from Wood street west along Third either to Commerce or Bank, emptying into the river. This sewer has been under consideration some time, and will prove of inestimable benefit to all that end of the city.

While the plant is to be erected and owned by the Maysville Warehouse Company, it will be leased to and operated by the Continental Tobacco Company, as a storage and rehandling establishment, with a stemmery probably added. The latter company guarantees the first named company handsome dividends on the investment for the period of five years with privilege of renewing longer if the company continues to do business here, and there is no question on that point as long as Maysville is the center of the white burley district.

With such a company as the Continental backing the enterprise, stock in the company ought to prove about as safe and profitable an investment as can be found. Parties desiring any of the stock had better not delay, as the probability is it will all be taken before Saturday night.

Plan to attend the ice cream and strawberry supper to be given by the ladies of the Y. M. C. A. next Tuesday evening on the lawn at Mr. R. A. Cochran's beautiful home.

While the promoters feel very hopeful of success, \$9,000 or \$10,000 is still needed to settle the matter. The papers are in the hands of Mr. W. W. Ball and Mr. Charles D. Pearce, and subscriptions in sums of \$100 up will be received.

All of the children of the Central Presbyterian Sunday school who are to participate in Children's Day exercises are urged to be present at the final rehearsal Saturday morning at 9 o'clock.

Mr. J. W. Elgin and his brother, G. S. Elgin, have been appointed General Agents in Missouri for the Massachusetts Mutual Life Company and will make their headquarters at Kansas City.

By a vote of four to two the Augusta council decided to donate the sum of \$3,000 to aid the F. A. Neider Co. to construct a new and larger building. The Neider Co. threatened to leave the town unless this was done.

Elliott Kelly, familiarly called "Lot," the bank cashier who died at Lexington Sunday, was well known in this county, having been a brother-in-law of the late Whitteman W. Forman and brother of Col. R. M. Kelly of Louisville. He was a member of the Tenth Kentucky Cavalry during the war and a native of Paris.

Made, sold on a close margin and guaranteed. I will save you money on every purchase made.

THE GREATEST BARGAIN OF THE SEASON.

You all know that the wool crash outing Coat and Pants are very popular garments. In the past two or three seasons the supply was not equal to the demand. To fill expected orders for this summer, the manufacturers made up immense quantities, but owing to the continued cool weather the demand was rather tame.

One of the biggest manufacturers of this class of goods, not wishing to carry their stock over into next season, offered to a few large clothiers round lots at greatly reduced prices. We were one of the favored houses. The price was irresistible. We bought a hundred suits. They will be on sale next Saturday morning and as long as they will last will be sold for \$5.75 cash. Sizes thirty-two to forty-two. When you see them you will agree with us that they are.

Let us show you our white and fancy Vests. The greatest bargain of the season.
